## Ronald Stair

President  
Creative Plan Designs

Growth isn't much good if in the end you don't get to keep much of what you earn, which places retirement and tax planning at the center of any growth strategy. Based in Port Jefferson Station, **Stair** specializes in customized planning of small to mid-sized businesses for maximum tax savings and retirement. He designs plans seeking to achieve the best results for retirement savings and tax benefits while keeping within the complexities of government-mandated regulations.
